

Chalet Carter

Luxury ski 4* chalet, balcony, terrace, hot tub, garden

There's great skiing and hiking all around you at this family-friendly 4* ski chalet

About Chalet Carter ...

Chalet Carter is perfectly placed to enjoy all the mountains have to offer - it's close to the busy village of St Jean de Sixt, which is halfway between the resorts of La Clusaz and Le Grand Bornand. Both are easily accessible by car or ski bus.

This stylish 4 star chalet sleeps 11 people in five bedrooms, with three bath/shower rooms. It's an ideal choice for larger groups who want to make the most of the mountains in the winter or summer, but would like a peaceful base to come back to at the end of a busy day.

Chalet Carter has been totally refurbished by its owners, who have had great fun decorating it. You will feel instantly at home in this cosy chalet, where wood, stone and slate work well with natural textiles such as leather, wool and faux fur to create a warm, contemporary feel.

There's a good choice of shops and restaurants in St Jean de Sixt, and the ski bus stops 800m from your door. In the summer, you can walk to the village through the woods in just 15 minutes, and a 45-minute walk will get you to the lovely market in the village of La Clusaz.
